2.1 SUBCONTRACT WORK. To the extent terms of the agreement between Owner and Contractor (prime agreement) apply to the work of Subcontractor, Contractor assumes toward Subcontractor all obligations, rights, duties, and redress that Owner assumes toward Contractor. In an identical way, Subcontractor assumes toward Contractor all obligations, rights, duties, and redress that Contractor assumes toward Owner and others under the prime agreement. In the event of conflicts or inconsistencies between provisions of this Agreement and the prime agreement, this Agreement shall govern. Subcontractor shall perform Subcontract Work under the general direction of Contractor and shall cooperate with Contractor so Contractor may fulfill obligations to Owner. Subcontractor shall provide Subcontract Work for the project in accordance with the Progress Schedule to be prepared by Contractor after consultation with Subcontractor, and as it may change from time to time. Subcontractor shall give timely notices to authorities pertaining to Subcontract Work and shall be responsible for all permits, fees, licenses, assessments, inspections, testing and taxes necessary to complete Subcontract work.

It is understood and agreed that subcontractor may not be privy to the contract documents governing Contractor's projects and will rely on Contractor's representations and warranties as respects the suitability of services and materials provided by Subcontractor when ordered and specified by Contractor in any purchase order. It is the Contractor's responsibility to notify Subcontractor of potential conflicts with any prime contract and Subcontractor's intended scope of work. Subcontractor's quotation/proposal with pricing, scope of work and terms and conditions of providing quoted services and/or materials shall be attached to and be a part of each purchase order defining Subcontractor's work under this Agreement. Work completed by Subcontractor on a rental basis wherein Subcontractor provides operated and maintained equipment to perform Contractor's Work shall be under Contractor's direct supervision and control.

Subcontractor's proposal #(To Be Determined) is a part hereof and attached as "Exhibit A."

2.2 CONTRACTOR'S WORK. The Contractor's Work is the construction and services required of the Contractor to fulfill its obligations pursuant to its agreement with the Owner (the Work). The Subcontract Work is a portion of the Contractor's Work.

2.2.1 The Contractor and the Subcontractor shall perform their obligations with integrity, ensuring at a minimum that:

2.2.1.1 Conflicts of interest shall be avoided or disclosed promptly to the other Party; and

2.2.1.2 The Contractor and the Subcontractor warrant that they have not and shall not pay nor receive any contingent fees or gratuities to or from the other Party, including their agents, officers and employees, Subcontractors or others for whom they may be liable, to secure preferential treatment.

2.3 SUBCONTRACT DOCUMENTS. The Subcontract Documents include this Agreement, the Owner-Contractor agreement, Work Orders, special conditions, general conditions, specifications, drawings, addenda, Exhibits, Subcontract Change Orders, approved submittals, amendments and any pending and exercised alternates. The Subcontractor similarly shall provide copies of the applicable portions of the Subcontract Documents to its proposed subcontractors and suppliers. Nothing
